Pro Life Corner by Deb Steinbacher

Much could be written about the month of February, but I have chosen love. When we think about love, the words mercy, charity, family, romance, and other words that evoke pleasant thoughts come to mind. One word that probably does not come to mind is justice. One of the definitions of justice involves punishments. How can that be loving? When we know that children (or adults) are being abused, crimes and sins that are not legally crimes are being committed, those who profess to being Catholic are participating in an activity that is a mortal sin, or any number of wrongs are being touted as acceptable are we being loving by not speaking out? As a pro-life people, we are called to evangelize and to protect all of God's children from the "womb to the tomb". We are called, friends, to help one another get to Heaven! This month is also dedicated to the Holy Family. May we always choose to love as they have taught us to love and always speak up for what is right!
